

KINGSWAY ACADEMY

Exchange Program

Earn Ontario high school credits while living and learning in a Canadian university-campus environment.

4 months • 6 months • full academic year

London, Ontario, Canada

More Than A High School

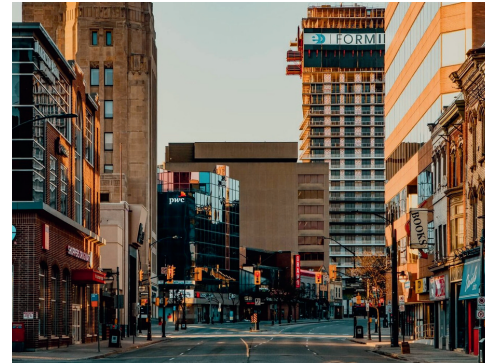

Earn your OSSD.
Experience university life before university.

Kingsway Academy is a distinctive international boarding high school located within the King's University College and Western University community. Students work toward the Ontario Secondary School Diploma while experiencing the academic and social environment of a Canadian university.

Through selected university facilities, campus dining, student-club partnerships, lectures, events and everyday campus life, students broaden their horizons, build friendships and networks, explore future fields of study, and develop the confidence to succeed at university in Canada or around the world.

London, Ontario

A welcoming place to study, live and grow.

Located in southwestern Ontario, London combines the energy of a university city with a manageable, student-friendly scale. Western University and Fanshawe College bring a young, international atmosphere to the city.

CONNECTED

About two hours from Toronto by road, depending on traffic.

STUDENT LIFE

Shopping, parks, healthcare, culture, sports and Canadian daily life.

The University Setting Changes The Whole Experience

At Kingsway, university preparation is not limited to applying for university.

USE

Selected university learning, dining, recreation and student-centre resources

CONNECT

University student clubs, local youth and an international student community

DISCOVER

New subjects, interests and possibilities before choosing a university path

PREPARE

Study habits, confidence and independence for life after high school

Facilities That Connect High School And University Life

CLASSROOM

LIBRARY

UNIVERSITY RECREATION CENTRE

CAMPUS LEARNING COMMONS

Students learn in a connected campus environment. Access varies by age, eligibility, schedule, availability and university rules.

A Connected Daily Experience

Eight Campus Dining Halls And Cafeterias

Students can choose a comprehensive meal plan and dine at eight dining halls and cafeterias across the King's University College and Western University campuses. Campus dining offers convenience, variety and options for many dietary needs.

Note: Most university dining halls require the campus shuttle. In winter, King's University College cafeteria is recommended; it is about an 8-minute walk from Kingsway.

LEARN

High school classes and selected university study spaces

MOVE

Campus shuttle and school-arranged transportation, as applicable

DINE

Campus meal plan and shared student routines

BELONG

Residence, friendships and a wider campus community

A Connected Daily Experience: Learn, Sports, Live And Move On Campus

LEARN

Classes and study spaces within the campus environment

SPORTS

Watch a match at Western University Stadium

MOVE

Campus shuttle access and Public Transportation

LIVE

Boarding residence or an optional homestay arrangement

Choose The Living Arrangement That Fits The Student

STA RESIDENCE

STA residence common area
Structured and school-supported

HOMESTAY OPTION

Local family environment
Transportation arrangements vary

RESIDENCE SUPPORT

Structured routines, clear expectations and school support.

LIVING CHOICE

Accommodation availability depends on program dates and confirmed arrangements.

School-managed boarding: structured • convenient • supported

Why Exchange?

Exchange Should Change How Students See Their Future

SEE

Understand how Canadian high schools and universities learn.

CONNECT

Build friendships across cultures and use English in real life.

GROW

Develop confidence, independence and a wider view of the world.

The Kingsway Difference

The University Setting Turns Every Day Into Preparation For What Comes Next

ACADEMIC CONFIDENCE

See university-style spaces and expectations early

LIFE READINESS

Learn how to manage time, study and daily routines

CLEARER FUTURE DIRECTION

Discover interests before choosing a university study path

Western's Nobel Legacy Reflects An Environment Of Excellence

Peter Howitt

Economics • 2025

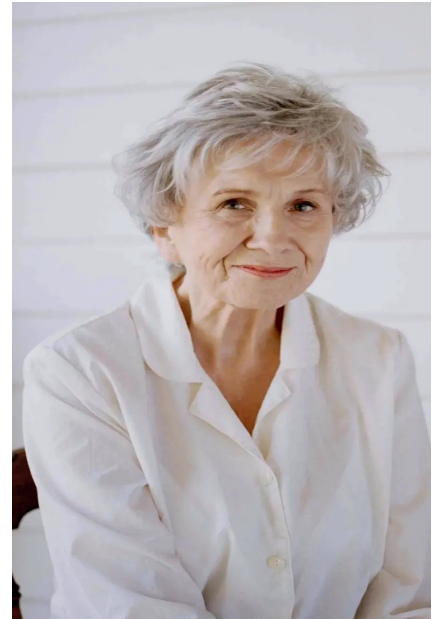

Western MA'69 and former professor

Frederick Banting

Medicine • 1923

Developed the insulin idea while teaching at Western

Alice Munro

Literature • 2013

Western alumna and former Writer-in-Residence

Students study in a university community shaped by research, creativity and world-changing ideas.

Partnership Activities Bring Exchange Students Into A Wider Student Community

PARTICIPATE

Join selected activities with university student clubs and partner groups.

MEET

Meet Canadian university students, local youth and international classmates.

PRACTISE

Use English through shared projects, events and everyday conversation.

Students Do Not Only Visit A University—They Practise Living In One

An ICEAP graduate who entered the Ivey School of Business through King's.

STUDY

Use selected university library and study spaces

DINE

Experience campus dining and shared daily routines

NAVIGATE

Learn how to move through and manage a university day

BELONG

Build confidence within a wider campus community

University access is selected, supervised and subject to institutional rules and availability.

Campus Events Make Learning Bigger Than The Timetable

LECTURES & TALKS

Attend selected public university lectures and campus events.

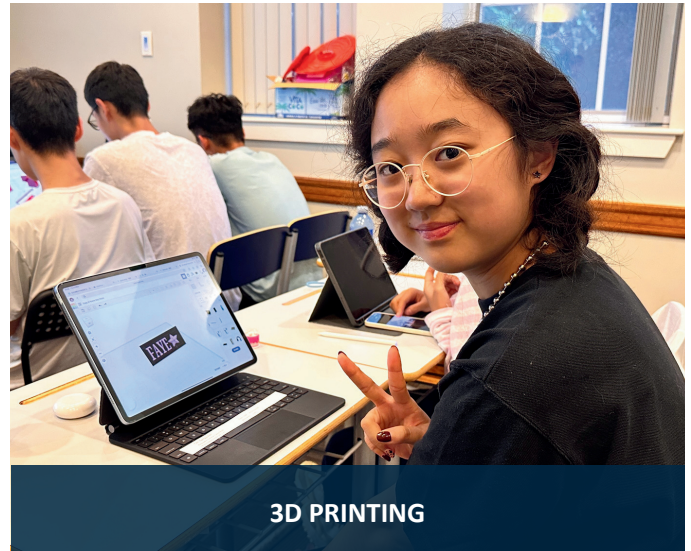

COURSE EXPOSURE

Observe selected university classes when permission and space allow.

CAMPUS CULTURE

Discover how ideas are debated, presented and applied in a Canadian university.

Hands-On Projects Help Students Discover Future Study Paths

Design • Build • Test • Collaborate • Explore Future Study Options

Boarding Creates More Time For Friendship, English And Supported Independence

FRIENDSHIP

Shared living creates more time to connect and build lasting friendships.

COMMUNICATION

Everyday conversations help students use English naturally across cultures.
